Join BC Wood at the Buildex Vancouver Show! Limited spaces remaining - Inquire now!

BUILDEX Vancouver is Western Canada's largest tradeshow and conference for the construction, renovation, architecture, interior design, and property management industries. With over 600 exhibits and more than 70 educational seminars, BUILDEX attracts over 14,000 attendees annually.

The 1500 SQFT BC Wood Pavilion will feature a Wood Products Showcase, standard 10x10 BC Wood member booths, and a **new BC Wood Turn Key Kiosk Island**. The kiosks will offer a lower price point, designed for convenience and easy access to the show, with the focus on branding and networking with BUILDEX attendees in a small but efficient area. You will be able to connect and tell your company's story which will lead to the next meeting and further drive business. In addition, the organizers will host a Happy Hour with craft micro beer each day in the Kiosk area to further promote the BC Wood Pavilion.

All BC Wood exhibitors will get a company listing in the show guide, a website listing in the show guide, a link to your website from the Buildex website, unlimited complimentary passes for marketing & six complimentary seminar passes.
