IDSWest Vancouver attracts 36,000+ attendees over 4 days. This includes 5500 guests to The Party on Opening Night, 7000 designers, architects, buyers, builders/developers, and other industry professionals during trade day, and an additional 24,000 consumers interested in design. Participation at IDS West is open to manufacturers, distributors, importers, retailers, makers, designers, and others interested in marketing, selling, and promoting products and services for residential design.

In the BC Wood Pavilion at IDS West, we are offering a new open-concept layout that is both visually appealing and affordable! Featuring striking 11.5' banner stands, special lighting, and a choice of layouts, we think this will appeal to both our participating members and the show visitors!

The limited floor spaces available start from \$1,680 - includes carpeting, electrical, lighting, your company logo on Pavilion branding banner stands, online listing with IDS West, and event logistics coordination.

(A standard IDS West booth space is \$2,600 for 100 sqft, + \$275 for corners, and does not include carpet, electrical, lighting, or branding banners).
