

TECHNO MUEBLE INTERNACIONAL GUADALAJARA, MEXICO AUGUST 17-20, 2016

BC Wood is coordinating a trade mission and the exhibition of member companies at the 28th TECHNO MUEBLE INTERNACIONAL.

Techno Mueble Internacional 2016 is one of the largest exhibitions for the Furniture Industry, taking place in Mexico's fastest growing economic region. Techno Mueble will showcase wood, woodworking machinery, tools, furniture supplies, and the latest materials supplied to the world of furniture and wood technologies. This event runs together with Expo Mueble, one of the major furniture exhibitions in Mexico. Exhibits will include international lumber exporters and associations shipping into Mexico, and many of the major lumber importers in Mexico. Visitors will include Exporters/Importers, Manufacturers, Architects, Interior Designer, Furniture Wholesalers, Store Owners, Subsidiary Industrialists, Project Makers, Contractors, Hotel Managers, Decorators, and Consumers.

Participation Fee for BC Wood Members:

Trade Show and Trade Mission – approximately \$2,150 per company, \$300 per additional staff

Trade Show includes a turn-key company kiosk inside the BC Wood Pavilion, and interpreters. Trade mission includes driver and vehicle, interpreter, and 6 meeting visits with importers/distributors. Hotels, Airfare, and Meals are not included.
